

## SHIVANGI BRAHMA

### A CREATIVE EXPLORER

My name is Shivangi, a strong believer of VASUDEEV-KUTUMBHAKAM. My moto is we have this one Life, Live it to the Fullest.

From Visual effects to Data Science I have explored it all. Staying abreast with changing times, I wish to be the Global Head of Disney / Pixar. Happy Achiever :)

### IMBIBING THE NEW

- I love to stand out from crowd
- Have delivered Alexa controlled interior Project even before it was launched in India. Proud Client!!
- Hailing from an all doctor family, I ventured into Animation and films.
- I structured the shake software pipeline which was difficult for my seniors to understand.
- I was first out of 500+ ppl company in 2003 to be working on dual monitor.

### LOVE SOCIALISING

 Team player/ Ms. Reliable

 GLOBALLY DIVERSE

 INDIAN VALUES

 I am a people's person

### EXPERIMENTAL OBSERVER

#### I NEVER REPEAT MY ICE-CREAMS...

I love to try and research the wide varieties life has to offer...

- Though an eggitarian have explored from Japanese to Afghani
- I was the first batch of Distance learning introduced by Manipal Univ. in India.
- 1996, computer was launched in India, I had my Father's webpage up and running.

### GO GETTER...

Sports Person  
Dance champion

- District champion in Swimming.
- Gold medalist in Kathak at State level
- Learned football at 35, observed the matches and won against veteran's team

### LEARNER AND EDUCATOR

#### READY TO UNLEARN

Educating makes Learning more efficient...

- Pursuing PGPM-Ex to reach next level
- Training coding/math to kids globally
- Training groups with new tech. skills

### MULTI-TASKER

From Home To Office

- From curating the interiors of my Home, to owing a Start-up, I take pride in all my endeavors.
- From crying baby nappy changing to heated client discussion, I have handled them all parallelly.
- From Animation to Interior fit outs, from Educating to Learning, from my family to kids across the globe; I'm handling it all!
- I can deliver under pressure situations.
- Have learnt to overcome failures by handing over my startup to the righteous and moved on.
- I own my decisions.
